## 🚨 Transmission Alert 🚨

### Transmission Is Dropping Support for Internet Explorer 11 on July 1st

Hello Transmission Carriers,

We wanted to share an upcoming Transmission platform update with you. Our engineering team is deprecating active support of Internet Explorer (IE) 11 on **July 1, 2022**. After this date, we will no longer guarantee that Transmission Web will function properly when accessed using Internet Explorer 11.

**We recommend accessing Transmission Web via Google Chrome or Mozilla Firefox for the best experience.**

Thanks for being part of our mission to make Trucking easy for everyone!

If you have any questions please reach out to [trucksupport@flexport.com](mailto:trucksupport@flexport.com).
